

Here's some info you can use for Feb 4, 2018 FattyFest:

Conditions > Gunstock Outdoor Center has been busy grooming remaining snow pack. Their assessment as of the afternoon of Feb 1st is full coverage on 3-4 miles of groomed Nordic trails. Trail maps will be available.

Temps – It looks like low to mid 20's with low winds. Please dress appropriately for outdoor activity (layers). We'll have the Gunstock Nordic Association lodge for a warm-up area.

Location > Gunstock Mountain Resort is located at 719 Cherry Valley Rd, Gilford, NH – we're based in the Outdoor (Nordic) Center area.

Parking > the Outdoor Center is approx. ¼ mile in on your right after you enter the Mountain's access road. Just past the Outdoor Center on your right is a drive that leads to plenty of parking behind the Center.

Check-in > Number pick-up opens at 7:30AM. We will be set up in the Gunstock Nordic Association lodge, in the Stadium Area, across the road from the Outdoor Center.

Touring riders must also check in!

Day of event registration is available – ask some friends to join you for a day of fun!

Demos & Touring – Demo vendors will be open at 9AM. Our course will be marked and open for touring and practice from 8AM until 1PM except during the race, 10AM to 11AM. Please clear the race course by 9:45AM!

Food/Drink – your registration gets you coffee and hot chocolate and, starting at 10AM, chili, corn muffins and soft drinks. All while supplies last!

Race > Racers should be at the Start line (in front of the GNA lodge) 9:50 for some brief instructions. Experts roll off at 10AM and Sports roll *exactly one minute later*. Both classes will complete multiple laps (# TBD race) - lap count will be determined before each race based on available lap distance and course conditions.

Course description> The final course will be determined by conditions but the intent is to have a 2-3 mile route along the rolling groomed nordic ski trails.

Timing > Will be provided by our good friends at acidotic Racing. Podium ceremonies for each class will be held as soon as results are finalized.

Open Trails > Except during the race (10-11AM) the course and Nordic trails are open to you from 8AM until 1PM.

See you there!
